

# Green Grapes

Flavor Profile

# HIMIC

. Red Grapes . Green Grapes . Black Grapes .

Green Grapes, like red and black come in many different shapes and sizes. The green grape tends to be more tart and slightly juicier than their red and black counterparts. This summer try freezing your green grapes for a refreshing summer snack!

## Did You Know?

Grape growing is the largest food industry in the world. There are more than 60 species and 8000 varieties of grapes, and they can all be used to make juice and/or wine.
